

This message is to explain how K-LOVE serves me as a resident of Hot Springs, Arkansas. K-LOVE is the only radio station on the air that gives me Christian news and stories that reflect my beliefs and values. The effect on the local community if K-LOVE were to be displaced by an LPFM broadcaster would be terrible. This station provides so much hope and encouragement to all who listen. This simply does not happen with other commercial radio stations. I believe that the service provided by K-LOVE is in the public interest because it is helping to build this nation and not break it down. K-LOVE lifts those who listen to it up and most importantly glorifies GOD, who is at the heart of the whole operation. It would be a sad and very telling day if the FCC ever forces K-LOVE off the air. I will pray the FCC will see the value and that this ministry will stay on the air for years to come.
